

Patient Safety at Nemours

We want you to feel comfortable asking questions and speaking up about anything that concerns you or you wonder about. You always have the power to Speak Up if you have questions or something to say!

Speak Up so that you can...

Understand concerns:

"Is it supposed to look this way...?"

Know what comes next:

"What should I expect after...?"

Share expertise about your child:

"Did you know...?"

Understand care plans:

"Why was that recommended...?"

And more!!
